

Family Financial Worksheet (FFW)

Domestic Families

Please use this document to apply for Sliding Scale Tuition.

West Sound Academy is committed to being fully enrolled as an inclusive and diverse school community. This mindful approach to the well-being of the school and to the goal of being accessible to families from various economic backgrounds is why the school utilizes a sliding scale tuition model.

West Sound Academy uses its sliding scale to determine each student's tuition according to the principle that a family's financial commitment should be reasonable and fair given its financial resources. The tuition rate is based on your income, the number of enrolled children in a tuition-based school, and unusual expenses or circumstances. To qualify for Sliding Scale Tuition, submit this form to the Business Office, along with copies of your most recently filed tax return and W-2's (Backup Materials). For this year, those would be from 2020. If you do not wish to complete the Family Financial Worksheet, please skip to page 5 and check the "Waiver" box at the bottom of this field, sign, and return it to the Business office. Waiving the FFW indicates that you agree to pay the maximum tuition rate.

Tuition Scale Range:

The Board of Trustees has defined the tuition range for the 2021-22 school year as \$4,195 to \$23,500 per student

Voluntary Giving at WSA

Philanthropy remains a necessary part of the culture at WSA. Fundraising is used in partnership with the Sliding Scale Tuition model to meet the revenue needed to run this diverse and exciting school. We strongly encourage, value, and depend on the direct giving or volunteer contributions of all WSA parents, grandparents, and friends in helping sustain our commitment to offering a vibrant educational journey to our students. Regardless of placement on the Sliding Scale, all parents are asked to contribute to the fundraising efforts of the school through donations or volunteerism.

Confidentiality

Financial information is reviewed only by the Head of School, Associate Head of School, and Business Manager. Maintaining the security of your personal information is at the forefront of our practice. Families agree to keep their tuition obligation confidential from both other families and their student(s). Failure to do so will result in loss of access to the Sliding Scale Tuition program. Backup Materials are professionally destroyed and not kept beyond the processing time period.

Financial Information – Domestic New Family

Please answer all questions that apply to your circumstances for each custodial parent. **You may use one form for both parents, even if this is a two-household family. Complete one form even if you have multiple children attending WSA.** If you do not know your Admissions ID number (new applicants only), please contact Lisa Gsellman.

The school expects that in cases of separation or divorce, both parents will assume responsibility for their child’s educational expenses, subject to any specific court-ordered arrangement or divorce agreement.
