**Project Description:** What is your project? Be specific about what you will do.

**Learning Outcomes:** Which of the eight Learning Outcomes will be addressed? Give a brief explanation of how the outcome(s) will be addressed. NOTE: The CAS project can address any single strand of CAS, or combine two or all three strands, as long as these minimum learning outcomes are addressed: 2,3,5,6, and 7.

**Final Results:** What do you hope to accomplish as the results of your work? What do you expect to learn?

**I have reviewed my student's CAS Project. I understand that a minimum of 150 CAS hours must be completed in order to meet the International Baccalaureate requirement for an IB diploma. Additionally, I understand that the final portfolio must be submitted to the IB Coordinator by the established deadline in order for the community service requirement to be cleared.**
