- Each student is responsible for reading, discussing, and reviewing the CAS Handbook. We request that parents and guardians also be familiar with guidelines in order to support their student in the diploma requirement and discuss risks involved in their CAS experiences that are conducted beyond school grounds. Parents and guardians accept responsibility for all medical costs related to any injury as a result of an accident or incident while participating in CAS experiences or projects.
- Failure to attend formal advisory meetings and meet published documentation deadlines will result in academic probation and a conference with you, the CAS Coordinator, the IB Coordinator, and parents to develop a CAS success plan. Advisement meetings and timelines published in this Handbook and/or communicated through various media in a timely manner.
- The CAS Handbook should be read completely prior to signing this verification.
