School Supply and Individual Emergency Kit Lists

2021-2022

SCHOOL SUPPLIES

All West Sound Academy students must come to each class, every day, on time and prepared with the appropriate materials. Students may be asked by individual teachers during the first week of school to provide additional items due to the needs of a specific class.

Two boxes of tissue for the classrooms would be appreciated.

Students will not have any storage area, locker or cubby while on campus. The goal is to maintain a reasonably packed backpack (rolling or otherwise) that has the basic supplies one would need while on campus.

INDIVIDUAL EMERGENCY KITS *

In the event of an earthquake or other disaster during school hours, all students will be cared for on campus by West Sound Academy staff. In order to help everyone be prepared in the event of any such emergency, each student needs to have an individual kit with the following items. These kits will be stored on campus, and will be sent home at the end of the school year if they are not used. Use a plastic container about the size of a shoebox with a separate lid, and have the student's name clearly written on the outside. **Due to storage constraints at school, please use a container that is no larger than 12-quart capacity.**

Each individual emergency kit should contain:

- 2 large (33-gallon size) garbage bags
- 3 plastic spoons
- 2 granola bars
- 2 candy bars
- 3 containers of juice (aseptic cartons or cans)
- 1 Mylar blanket
- 3 cans of food (pull-top lid only – nothing requiring a can-opener)
- 2-3 small containers of pudding
- 3 packages of single-serve sandwich crackers (crackers with cheese or peanut butter)
- 1 flashlight with batteries
- Comforting letter from parents with photo

*For safety reasons, please turn in emergency kits to the front office **no later than two weeks after the first day of school.**
