

Media Publication Opt-Out Form 2023-2024 Academic School Year

During the course of the school year, photographs or videos of students and school work are taken during the school day and at activities for use in educational news releases and promotions, publications, video productions, social media, educational projects, and the school's website.

West Sound Academy has an "opt-out" media procedure. This means that unless your student has a current signed Media Publication Opt-Out Form on file, their photo/image may be used for those purposes. This form is valid throughout the 2023-2024 school year. An updated form will need to be submitted at the beginning of each school year if you wish to opt-out of media publication for your student in the future.

Complete the form below to indicate the areas where you do **NOT** give permission for your student's image to appear.

- Hawk Talk newsletter
- WSA website
- Social media posts
- Community-wide news releases and print material

Student Name: _____ Grade: _____

Parent/Guardian Signature: _____

Date: _____

PLEASE RETURN THIS FORM TO THE FRONT DESK BEFORE 8/31/2023
